React 19 RC

400+ by The React Team / 5mo

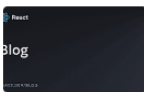

is now available on npm! In this post, we'll give an overview of the new features in React 19, and how you can adopt them.

- 

React 19 RC Upgrade Guide

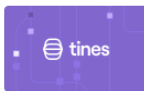

by Ricky Hanlon / 5mo

The improvements added to React 19 require some breaking changes, but we've worked to make the upgrade as smooth as possible and we don't expect the changes to impact most apps. In this post, we will guide you...
